Thank you so much, Michelle. The invoice hootenanny has been weighing heavily on me. I will check it out.

I am glad you like the vase! It is from Pewabic pottery in Detroit.....a really cool, old pottery guild on the once fashionable Jefferson Ave. Now, it is pretty blighted around the the shop/studio...but Pewabic has held on and is a bright star in the teetering landscape of Detroit. I have a warm place in my heart for Pewabic. If you are interested in reading about it I am attaching a link..... <http://www.pewabic.org/our-history>

Thank you for the help!!!!

Melissa

Hi Melissa,

First – thank you for the beautiful green pottery! It looks great in the office.

I just tried to download Invoice 21 and I continue to receive an Adobe error that the file is damaged or corrupt on two different computers. Will you try to email the invoice to me. I wonder if this Adobe issue is causing the issues with the Invoice Portal. Have you tried to upload an invoice in either an Excel or Word format?

Warm regards,

Michelle
